

ANOTHER LEAP FORWARD!
**LEAP CARD NOW AVAILABLE TO PURCHASE AND TOP-UP FROM DART AND
COMMUTER TRAIN STATIONS**

The National Transport Authority is pleased to announce that Leap Card, its integrated transport ticketing system for the Greater Dublin Area has just become even more convenient.

Leap Card can now be purchased and topped up at ticket machines at all DART and Commuter stations in the Short Hop Zone (Dublin to Balbriggan, M3 Parkway, Maynooth, Hazelhatch).

Iarnród Éireann, in partnership with the National Transport Authority, has now upgraded ticket machines in all 53 stations to cater for Leap Card and this adds to the range of top-up options Leap Card customers already have: online at www.leapcard.ie , at Payzone outlets, and at Luas ticket machines.

Leap Card offers passengers value for money and greater convenience with every transaction. Leap Card is easy to use and hassle-free eliminating the need for correct change or frequent queuing at ticket machines for single tickets. With DART and Commuter Rail Services, Dublin Bus and Luas all on board, Leap Card users can enjoy hassle free savings of up to:

- 18% on DART and Commuter Rail services
- 17% on Luas
- 11% on Dublin Bus

In addition, all existing Luas and DART/Commuter Rail Smart Card holders can exchange their old Smart Card for a FREE Leap Card at www.leapcard.ie
