Dear

Re: FOI request 2015-0007

I am writing to you concerning your request under the Freedom of Information Act 2014 dated 9th February 2015 requesting 'Correspondence between the NTA and Bus Eireann within the past 12 months regarding bus fleet renewal and changes to Cork PSO routes.'

I am now attaching copies of relevant correspondence. Information relating to numbers and values of buses has been redacted as noted on the copy correspondence as this information is regarded as commercial sensitive.

If you have any queries regarding this correspondence you can contact me at noel.beecher@nationaltransport.ie

I trust this clarifies the position for you.

Yours sincerely,

Noel Beecher,
