

Luas Traschathrach Ag Coinneáil ar an Eolas

Luas Cross City Staying Informed

Tá tógáil Luas Traschathrach faoi lánseol anois ... Nascfar na línte Luas atá cheana féin ann le chéile agus go leor eile

Déanfaimid ár gcoídhícheall a laghad cur isteach agus is féidir a dhéanamh an fhaid is a bheimid ag déanamh dul chun cinn chun fáiltiú ar bord roimh na paisinéirí tosaigh. Tá go leor bealaí ann le bheith ar an eolas agus chun fanacht ar an eolas – ní gá ach Glíogáil, Like nó Follow.

Nascfaidh an síneadh seo leis an Líne Ghlas ceantair shiopadóireachta agus ghnó le seirbhís rialta ó stadanna áisiúla lárnacha ó Fhaiche Stiabhna go Sráid Pharnell. Freastalóidh an líne chomh maith ar na mílte mac léinn a bheidh ag triall ar Champas nua Institiúid Teicneolaíochta Bhaile Átha Cliath ag Gráinseach Ghormáin agus ar na pobail seanbhunaithe i mBaile Phib agus sa Chabhrach. Tá líonra ardchaighdeáin Luas a cheanglóidh seirbhísí na bpríomhlínte traenach uile agus na céadta seirbhísí bus ar amharc anois. Tá na figiúirí suntasach – 10 milliún paisinéirí breise, 800 post le linn tréimhse na tógála agus gan ach 24 nóiméad ón “bhFaiche” go dtí Droichead Broome nuair a thosóidh na tramanna tosaigh ag rith i 2017.

The Construction of Luas Cross City is now underway ... Existing Luas lines will be linked and so much more

We'll do our very best to keep disruption to a minimum while making progress towards welcoming the first passengers on board. There are lots of ways to be informed and stay up to date – just Click, Like or Follow.

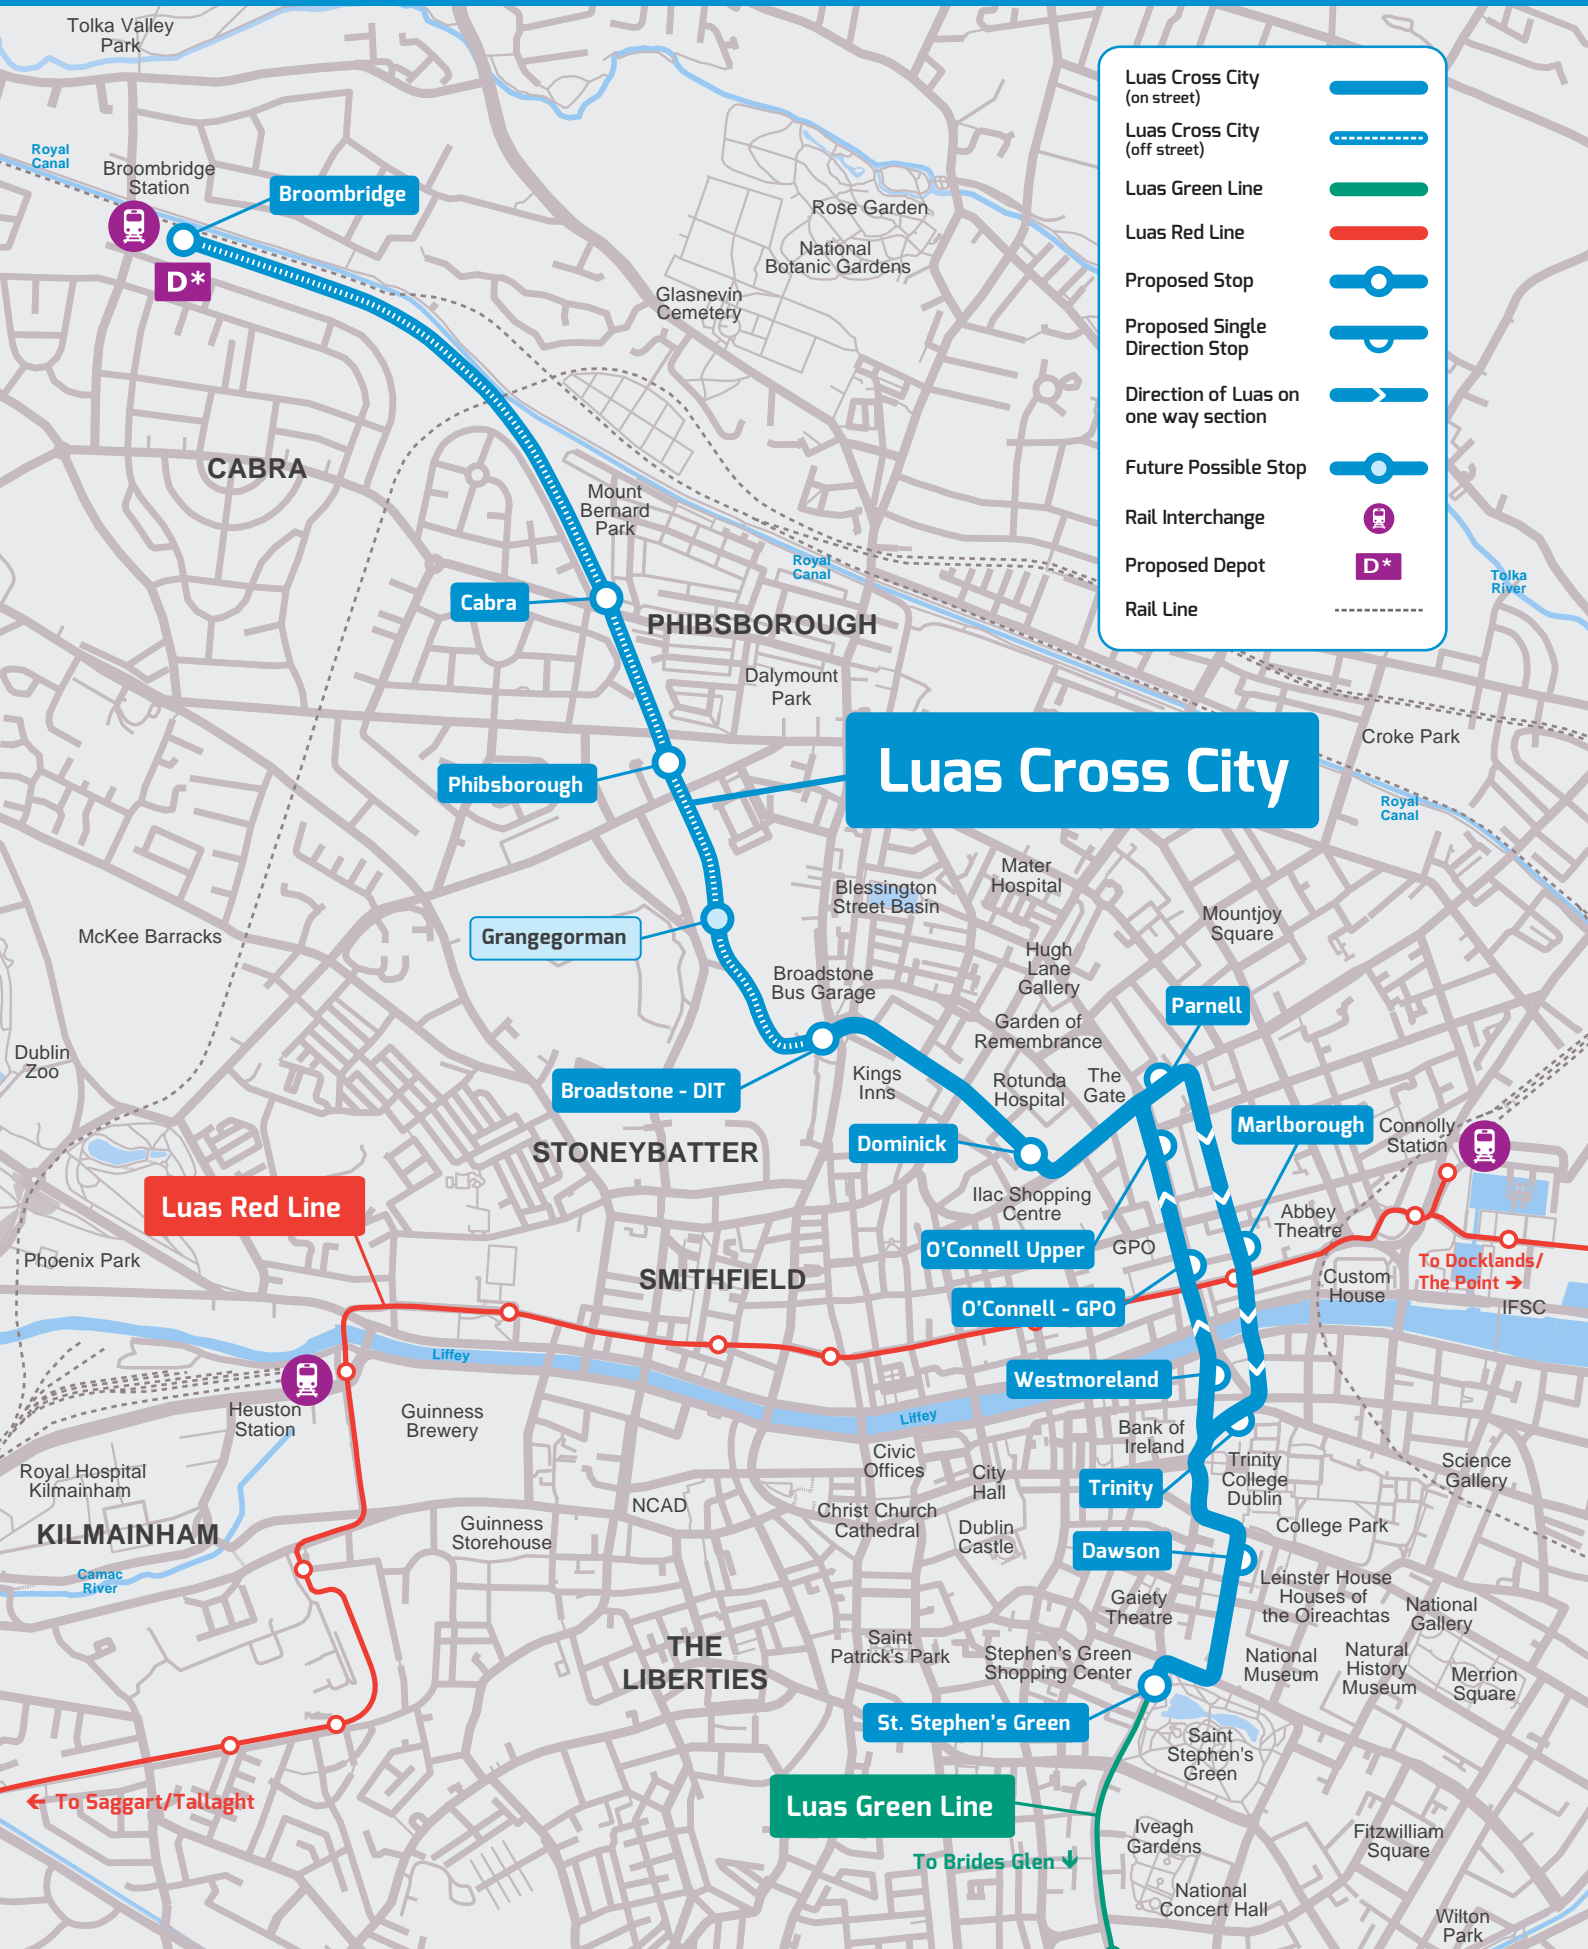

This Green Line extension will connect shopping and business districts with frequent services from convenient central stops from St. Stephen's Green to Parnell St. The line will also serve the thousands of students heading for the new DIT Campus at Grangegorman and the established communities in Phibsborough and Cabra. A high quality Luas network connecting with all main line rail services and hundreds of bus services is now in sight. The numbers are impressive – 10 million extra passengers, 800 jobs during construction and a mere 24 mins from “The Green” to Broombridge when the first trams start running in 2017.
