

Assessor's LPG Report – LPG Fuelled vehicles seeking SPSV Licensing

Vehicle Details:	Please fully complete below:
Registration Number	
Make	
Model	
VIN (Chassis Number)	
SPSV Licence No (if known)	
Date of Inspection	
Name of Assessor (CAPITALS)	
Company (where applicable)	
Contact Details, e.g. Tel,/Email, Address	
LPG Tank Location & Capacity (l)	

In completing this Report, with specific regard to the secondary LPG fuel installation, you should consider the manufacturer's specifications and any documents for components used in the conversion e.g. test data or approvals. The tank capacity is essential information.

Declaration of Certification:

I certify that I have inspected the above vehicle in relation to the complete LPG installation and, in my professional opinion, the installation including all components and assembly are compliant with requirements of the Road Traffic Act (Construction, Equipment and Use of Vehicles) Regulations 1963 to date.

I therefore declare that the LPG installation overall is in good and efficient working order, such that no danger is liable to be caused thereby.

I hereby declare the above information to be true and correct on the date of inspection for the vehicle detailed above. I further declare that I am in possession of the professional requirements set out below.
