Hi Jim,

Just to let you know, [REDACTED] from Matthews called me this morning. He said that he will contact you either by email or phone sometime today. It seems that there is a lot of history to this stop and, while Matthews will move the stop if requested, they are concerned about the location that they will be asked to move to (if on private property, will they get approval, if on public property, will there be a bus indent provided). I advised him to raise his concerns with you because as a potential safety issue, the council would be taking the matter very seriously.

Regards,
Anneliese.
