

Passenger Notice

COVID-19 Contact Tracing

NTA supports your driver in requesting every non-prebooked passenger to **Voluntarily provide a single data item - like a contact number.**

This information will be used only to provide the HSE with **COVID-19 contact tracing** details if requested. The legal basis for this request is consent. It is voluntary.

The data will be retained for 6 weeks and then destroyed.

For your own welfare, please download NTA's public safety app "**Driver Check**" which will provide you with full details of the driver and vehicle you have used today.
