

# An tSeirbhís Náisiúnta Tástála Carranna National Car Testing Service

## **NCTS Statement**

*17<sup>th</sup> June 2020*

### **NCTS Centres now reopen for SPSV inspections**

*The National Car Testing Service is currently experiencing unprecedented demand for its services following the suspension of its services due to COVID19. NCTS Test Centres are now re-opening on a phased basis throughout the Country with appointment schedules gradually being released. All efforts are being made to accommodate drivers who are nearing their test expiry. We are releasing additional test slots for July in the coming weeks. Booking schedules are now open for most centres in the next 12 weeks and we suggest drivers make their NCT booking as soon as possible.*
