The Judging Panel

Shane Dunny

Regional Director at AECOM

Shane is an engineering graduate of Trinity College and is currently the district lead for AECOM's Transport Planning business on the island of Ireland. Shane specialises in Transportation Planning, Transport Policy and Appraisal areas and has worked on high profile projects throughout Ireland, UK, Australia, USA and throughout Europe.

Shane is currently working with TII to update their appraisal guidelines and policy to support Irelands transport and climate goals. He is also working on a number of major transport projects with the NTA and Irish Rail such as BusConnects, Cork Area Commuter Rail, DART+ and a number of urban and rural greenway projects.
