Donal McDaid

Director at Arup

Donal McDaid manages Arup's Transport and resources Group in Ireland, which is primarily focused on our Roads and Urban Streets, Rail, Aviation, Maritime, Energy and Water Businesses. There, he leads a diverse, highly motivated team of 300 professional planners, engineers and management consultants.

Since joining Arup in 1997, Donal has worked on and lead multi-disciplinary teams on transport planning and environmental studies, and large scale transport infrastructure project planning, design and implementation, both in Ireland and overseas.
