

MARCHATHON

PARTICIPANT GUIDE

How do I get started?

- Get together in a Team of 3-6 people.
- All team members* must set up their individual account on the [Active Travel Logger](#) to log their steps. If you have taken part in previous Challenges, you can use that account.

*If you don't have access to a PC, tablet or smart phone, don't worry – your Team Captain can log on your behalf but you do need to have a valid email account.

I have registered on the Active Travel Logger. What is next?

Once you're logged in, you will see a dashboard where you can do lots of things.

- The first thing you'll need to do is **'Join a Challenge'**.
- Click on the **'Marchathon Step Challenge 2022'** to join.
- If you're going to be the Team Captain, then you can click **'Create a new team'**.
- If you're going to be a Team Member, you can click **'Join a team'**.
- Check out the step by step video tutorials on www.stepchallenge.ie for more assistance.

How do I create a team?

- By clicking on **'Create a new team'** you will be automatically assigned the Team Captain role.
- Choose your **Team Name** in the box provided.
- Tick the box if your team is primarily desk-based during working hours.
- You can now invite people to your team under **'Manage Members'**.
- You can **send an invite** to other members who already have a registered account on the Active Travel Logger or by sending them a URL invite.
- You can view our **video tutorial** on creating your team on our website www.stepchallenge.ie

How do I track my steps?

Tracking your steps is easy. There are many ways for you to track your steps throughout the Challenge

- Download an app onto your phone
- Use a smart activity tracking device such as a watch
- Use a pedometer

Whatever way you decided to log your steps, you must use the same tracking device for the entire Challenge.

Remember, this is a Step Challenge so only steps recorded on your device will count. Cycling, swimming or other activities will not count towards the Leaderboard.

'Best part was the connectivity with others while working from home....Loved it!'

'I was motivated to walk to the town rather than drive to increase my activity levels'
