

Protected Disclosures

National Transport Authority
Section 22 Report for 2021

June 2022

Annual Report of the National Transport Authority, required under Section 22 of the Protected Disclosures Act 2014.

Under Section 22 of the Protected Disclosures Act 2014, all public bodies shall prepare and publish a Protected Disclosures annual report in relation to the immediately preceding year.

The report shall contain details of:

- The number of protected disclosures made to the public body and
- The actions taken in response to those protected disclosures.

Pursuant to this requirement, the National Transport Authority hereby confirms that it received one protected disclosure during 2021 in relation to a public procurement matter. An investigation was commenced by an external party which continued into 2022. There were no other protected disclosures throughout 2021.

Protected Disclosures are processed in accordance with National Transport Authority's Protected Disclosures Policy.
