The Judging Panel

Dr. Dylan Power

Senior Researcher at the Urban Cycling Institute

Dr Dylan Power is an active travel researcher with a PhD from the South East Technological University in Ireland. Dylan's research interests include multidisciplinary approaches to active travel promotion, systems approaches to public health, and policy analysis. Currently, Dylan works with Urban Cycling Institute, a non-profit organisation based in Amsterdam, on global active mobility and urban cycling projects.

Category 2 Social Marketing

Poster or digital marketing campaigns, sustainable travel seminars or webinar series, walking or cycling programmes and much more!
