

Smarter Travel Student Awards

The Judging Panel

Elaine Brick

Regional Director at AECOM

Elaine is a transport planner and Regional Director at AECOM. She is an experienced project manager with over fifteen years' experience in delivering large and multi-disciplinary transportation projects. Elaine has a specific interest and experience in behavioural change measures to influence modal shift.

Elaine has managed several behavioural change programmes in the UK and Ireland, and in Singapore where she led the delivery of a successful national scale pilot programme. Elaine also has a very comprehensive understanding and interest in the evaluation of behavioural change programmes and recently managed the evaluation of the Smarter Travel Areas programme on behalf of DTTAS.
