

Let's give **students** the chance to turn their **recyclable waste into credit** for their **Leap Cards!**

Reverse recycling vending machines = effective way to reduce waste with an incentive

Our proposal: Reverse recycling vending machines that will operate exclusively with TFI-installed top-up terminals.

AS EASY AS...

- 1** *Insert plastic waste!*
- 2** *TAP!*
- 3** *Take the bus!*

TFI PLASTIC-TO-TRAVEL Machine:

Model Predecessors:
Ricicli+Viaggi & Istanbulkart
