

# THE MORE, THE MERRIER

Public Transport Just Got More Fun and Affordable!

## OVERVIEW

"The More the Merrier" is a new initiative by TFI that offers discounted fares for groups traveling together on public transport. The more people in your group, the less each person pays! This initiative supports eco-friendly communities by promoting **accessible, affordable, and sustainable transportation**.

## HOW IT WORKS

### 01.

#### FORM A GROUP ON THE APP

- Open the TFI Live App and log in.
- One person creates a group by selecting "Start a Group" & sharing the Group ID or QR code.
- Other users join the group by entering the Group ID or scanning the QR code in the app.
- Groups don't have to be pre-planned! Use the TFI Live App to find nearby people heading in the same direction and temporarily "join forces".
- The group is ready once all members are confirmed (up to 4 people).

### 02.

#### TAP TO BOARD

- Once at the bus or train station, each group member taps their card on the ticket machine to board.
- The system automatically recognizes the group and adjusts the fare based on the total group size.

### 03.

#### AUTOMATIC FARE DISCOUNT

- The fare is calculated based on the group size:
  - 1 person: €1 per 90 minutes.
  - 2 people: €0.90 each.
  - 3 people: €0.75 each.
  - 4 people: €0.60 each.
- The discount is applied automatically as soon as you tap, no need for manual input.
