### **1. Background**

The Advisory Committee on Small Public Service Vehicles (SPSVs), previously referred to as the Taxi Advisory Committee, is an independent committee established and operated under the provisions of Section 72 of the Taxi Regulation Act 2013.

Its primary function is to provide advice to the National Transport Authority (NTA) and/or to the Minister for Transport, as appropriate, and in relation to issues relevant to small public service vehicles and their drivers.

Small public service vehicles comprise taxis, hackneys, local area hackneys and limousines. Under the provisions of the Taxi Regulation Act 2013, the NTA is the licensing authority in respect of small public service vehicles, while An Garda Síochána is the licensing authority for drivers of small public service vehicles. In addition, the Authority administers certain procedural aspects of the driver licensing function, for example the testing of prospective drivers' industry knowledge and area knowledge.

The Advisory Committee comprises a chairperson and 17 ordinary members. Section 72(4) provides for specific interests to be represented on the Advisory Committee.

In general, the Advisory Committee meets monthly (excluding August), subject to there being a sufficient quantum of matters to address. Meetings are held in the offices of the NTA, currently in Haymarket House, Smithfield, Dublin 7, D07 CF98.

Section 72(3) and Section 72(4) of the Taxi Regulation Act 2013 sets out the composition of the Advisory Committee and what areas are represented. These are:

- the Chairperson
- at least four persons representing small public service vehicle and driver interests,
- at least one person representing local authorities,
- at least one person representing the Garda Síochána,
- two persons who represent the interests of consumers,
- A person from an organisation representing the interests of persons with disabilities,

- A person who represents the interests of business,
- A person from an organisation representing the interests of older persons,
- A person who represents the interests of tourism, and
- at least four persons, who have a special interest or expertise in matters relating to the functions of the Authority, the Advisory Committee, or related matters.

## **2. Functions of the Committee and legislative provisions**

Section 73 of the Taxi Regulation Act 2013 provides specifically that the Advisory Committee may provide advice from time to time -

(a) to the NTA in relation to—

- proposals for licensing or regulations or codes of practice related to small public service vehicles and their drivers, submitted by the NTA to the Advisory Committee for advice,
- matters relating to the delivery of quality services by small public service vehicles and their drivers,
- the preparation and review of the draft integrated implementation plan under section 13 of the Dublin Transport Authority Act 2008 in relation to issues relevant to the small public service vehicle industry, and
- any other matters related to the functions of the NTA or which the NTA submits to the Advisory Committee for advice, other than matters related to decisions of the NTA in individual cases,

(b) and to the Minister in relation to—

- policy relevant to small public service vehicles and their drivers,
- proposals for legislation or regulations in relation to the small public service vehicle industry submitted by the Minister to the Advisory Committee for advice,
- the assignment of specific functions relating to small public service vehicles and their drivers to the NTA, and
- any other matter which, in the opinion of the Advisory Committee, is relevant to the effective performance by the Advisory Committee or by the NTA of its functions or which the Minister submits to the Advisory Committee for advice.

The Taxi Regulation Act 2013 also provides that the NTA may consult with or seek the advice of the Advisory Committee on any matter relating to small public service vehicles and their drivers or to the effective performance by the NTA of its functions. Additionally, it provides that the Minister may consult with or seek the advice of the Advisory Committee on any matter arising in relation to his or her functions with respect to small public service vehicles and their drivers.

The Act also provides that the chairperson or ordinary members of the Advisory Committee shall not disclose confidential information obtained by him or her as a member of the Committee.

Further information on the Advisory Committee including the current membership can be found [here](#).
