

Calculate2Commute

CALCULATE YOUR COMMUTING COSTS

Did you know 44% of students in SETU Carlow commute to college via car, whilst 33% of students live within 5KM of the campus?

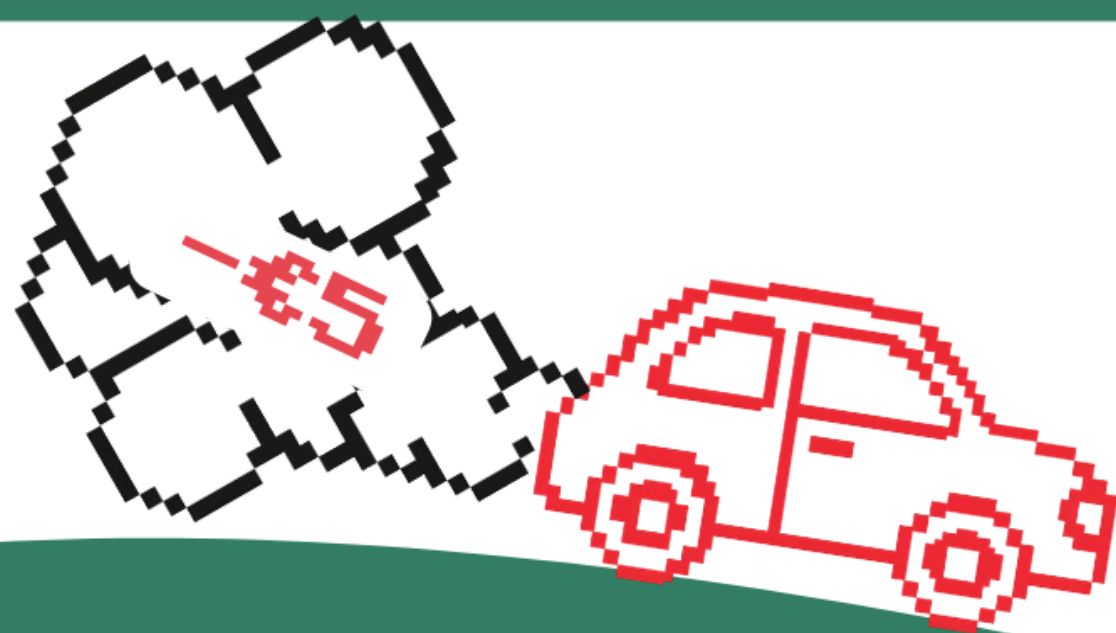

That's alot of carbon emissions, parking pressure, personal expenses and weekly cost of fuel!

Our "Commute Calculator" allows students and staff to break down how much their commute method is damaging their wallet and the environment!

Join **2,500+** College Students and help increase the number of students being active by **20%!**
