WALKING

How long would it take to walk or cycle to WIT?

Walking paths on campus are well signed, well-lit and secure.

There also is a Slí na Sláinte route close to the campus.

CYCLING

There are cycle racks throughout the campus.

Most of them are monitored by CCTS although cyclists are strongly encouraged to ensure that they lock their bicycle appropriately with a strong lock.

WIT participates in the yearly challenges organised by the Smarter Travel team at the NTA. For more information see smartertravelcampus.ie

A bike rental scheme is available at WIT by WIT Students' Union.

The bikes are available through Waterford Cycle Centre which is located at Knockhouse Business Park, Old Kilmeaden Road.

The Cycle to Work scheme is available to all staff at WIT. You can use a salary sacrifice arrangement to **save up to 52%** of the retail price of bike and equipment.

smartertravel >>>
>>> campus

Smarter Travel Campus is a hands-on programme working with Third Level Institutions to implement campus travel plans - or actions to encourage and support students and staff to **walk, cycle, take public transport or carpooling** on the commute to campus.

TRANSPORT FOR IRELAND
www.transportforireland.ie

PUBLIC TRANSPORT

Waterford Station is a significant interchange. It is the terminus for InterCity services from Dublin Heuston and InterCity services from Limerick Junction. Travel to Limerick Junction provides onward connections to Cork, Killarney, Tralee, Limerick, Ennis, Athenry and Galway. Schedules are available on the Irish Rail Website. WIT is a 45 minute walk from Waterford train station.

Bus Éireann operates the city network of Waterford. The **W1** goes from The Clock Tower to Merchants Quay via WIT. The **W2** goes from The Clock Tower to Meagher's Quay via WIT. The **W4** goes from Peter Street to Brownes Road and finally the **360a** line goes from Waterford - Tramore via WIT.

Bus Éireann and private bus operators connect Waterford to Cork, Portlawn, Tramore, Dunmore East, Passage East,

Wexford, Kilkenny, Dublin, Carlow, Clonmel, Limerick and Galway. Download the Transport for Ireland Journey Planner app to find the best route for you. You can use the Real Time Ireland app to get accurate arrival times.

During the academic year a shuttle bus is operated morning and evening between Cork Road Campus and the West Campus (WIT Arena & Arc Labs). Those using the facility must produce their WIT Card when entering the bus.

For staff members it's also possible to get **Tax Saver** tickets. The cost is deducted directly from the employee's gross salary, and **savings of between 28.5% and 52%** can be made off the regular price, depending on ticket type and your tax band.

LEAP CARD

TFI Leap Card is a convenient way to pay for public transport services in Dublin, Cork, Galway, Limerick, Waterford, Sligo, Athlone and Wexford.

It saves you carrying change and **TFI Leap Card fares are up to 31% cheaper than cash single tickets!** Using a TFI Leap Card is easy. Simply buy a card, Top-Up with Travel Credit or a period ticket and away you go!

FACILITIES

There are several active commuting facilities available on the WIT campus.

On the Cork Road there are showers available on the first floor of the multi-purpose Hall as are lockers. Showers are also available in the O'Connell Bianconi (Health Sciences) Building.

On College Street you are welcome to use the shower and locker facilities located at the Dance Studio (just past the chapel).

There are lockers available on campus.

TRANSPORT FOR IRELAND (TFI) APPS

The TFI Journey Planner App from Transport for Ireland is the only journey planner that provides timetable and map information from all licenced public transport providers across Ireland. It is the only app that allows you to plan and start your journey from your doorstep.

TFI Leap Top-up App is a free app for NFC (near-field communication) enabled Android phones. It allows you to instantly top-up your TFI Leap Card, check your balance, collect and buy tickets and check how close you are to reaching your daily and weekly cap values.

The TFI Real Time Ireland App is the only app that integrates all real time information services from Dublin Bus, Bus Éireann, Go-Ahead Ireland, DART, Iarnród Éireann and Luas services. The app provides live updates, helping you plan your journey efficiently on the TFI public transport network.

The TFI Driver Check App is a service that allows users to check that the vehicle they are about to hire has been registered correctly and that the driver has the appropriate license to operate the vehicle. If the information appears incorrect, it is possible to submit a report.

The TFI Cycle Planner App provides information on the best cycling routes for trips in the Dublin, Cork, Galway, Limerick and Waterford city areas.

If you are new to cycling or getting out on the bike after a long break, the TFI Cycle Planner will find a route that avoids roads with heavy traffic and also avoids difficult turns at busy junctions to help you get comfortable cycling your bike around town and beyond.

DRIVING

There are currently two public charge points available on the WIT Main Campus.

TAXI

If you decide to travel by taxi you can use the free Taxi Driver Check app to verify your taxi and email it to a friend.

Taxis can also be booked in advance - see transportforireland.ie for licenced dispatch operators.
